The American Dream has always been a privilege, not a right. Race was first used to systematically organize this.

Identifying as white gave you access to individualism and liberty, while being “black” reduced you to property and servitude.

**The American Dream: Race, gender**

Exclusion of Single Women:  
Suburbanization and gentrification have had similar long term effects on single women in America. Both in the 1950's and currently gender plays a huge role in one's ability to secure housing. In the 1950's and today there is a strong gendered division of labor.
