AMC 20-6 rev. 2 d. ETOPS significant system . ETOPS Significant System means the aeroplane propulsion system and any other aeroplane systems whose failure could adversely affect the safety of an ETOPS flight, or whose functioning is important to continued safe flight and landing during an aeroplane diversion.

AMC-20 Amendment 7 - Annex II AMC 20-6 rev. 2

An appendix is something that has been appended to a document. Therefore, you would describe it as the appendix to the document. The appendix does not belong to the document. Therefore describing it as the appendix of the document is incorrect. An appendix is not part of the document. If it were, it would be a chapter or a section.

What is the proper preposition following 'appendix' ...

QUESTIONS AND ANSWERS Q: Why didn't the 787 have 330-minute ETOPS approval from the beginning? Was it a lack of confidence in the airplane's capabilities?
