### SELF CONTAINED SYSTEM LOW AMBIENT DESIGN Data Sheet for ...

The LW 1300 E is designed for large industrial applications and is therefore a favorite compressor for breathing air requirements. Low speed ensured continuous operation, long service intervals and reduced maintenance costs.

### LW 1300 E | L&W Compressors

Air pockets due to poor application will significantly affect the mechanical properties of the Awlfair LW and therefore must be eliminated as far as possible. We appreciate that it is very difficult to entirely eliminate air pockets in an industrial environment. You can, however, minimise any risk by eliminating air pockets as far as possible ...

### Product Data Sheet Awlfair LW - Merritt Marine Supply

The LW 320 E is ideal for dive shops, diving clubs and diving schools, as well as medium-sized breathing air filling station. The three-stage compressor operates at low speed and is also suitable for continuous operation.
