FASA attempted to include almost as much information as the third edition books, which, when combined with the smaller book size, led to an explosion in the number of pages and thickness of the book. The book is very difficult to leaf through as the binding is so tight, and it will never hold the page it is opened to.

Thank you very much for this overview of the Earthdawn Player's Guide for 3ed Revised. My understanding is that the Player's Guide was to have all the content from the 3rd Edition Player's Guide and the 3rd Edition Players Companion condensed into one book. It appears as though this is not the case. Reply Delete
