bumpers, interior console layout and the N18 engine on the Cooper S and the N16 on the base Cooper.

What MINI Cooper Model Do I Have? - MINI Cooper ...

With the second generation MINI, BMW had things planned out a bit better. That meant the entire range of 2nd generation coupes would use the R56 code and the convertibles R57. The Clubman was designated R55 since initial work had started on the concept before the R56. So why the big gap between the R57 and the new R60 SUV MINI?
