Graphic design is the practice of combining text with images and concepts, most often for advertisements, publications, or websites. The history of graphic design is frequently traced from the onset of moveable-type printing in the 15th century, yet earlier developments and technologies related to writing and printing can be considered as parts of the longer history of communication.

Cheryl Doss June 8th, 2018 . I have an antique bookcase with glass front and a thin veneer design on that which is shaped in an archway with more thin veneer that makes it look like lites but it's one piece on each door. It's has been losing pieces over the years. When I can, I have been glueing them back on.
