Narrating War in Peace - The Spanish Civil War in the ...

Through case studies of prominent cultural products, this book takes a longitudinal approach to the influence and conceptualization of the Civil War in democratic Spain. Stafford explores the stories told about the war during the transition to democracy and how these narratives have morphed in light of the polemics about historical memory.

Narrating War in Peace | SpringerLink

Katherine Stafford's Narrating War in Peace: The Spanish Civil War in the Transition and Today presents a refreshing contribution to the debates about the historical memory of Spain's twentieth-century history. Studying a variety of texts and images over a long period of time, Stafford explores how the Spanish Civil War has been "reconceptualized, renarrated, and reconsidered to accommodate a variety of identities and to respond to various historical, political, and social realities."

Book Review: , Narrating War in Peace: The Spanish Civil ...

Narrating War in Peace: The Spanish Civil War in the Transition and Today . is a worthy entry into the canon of memory scholarship in contemporary Spanish cultural studies. What sets . Narrating War . apart is its innovative analysis of how the cultural production of particular authors and the reception of particular works of art, such as Picasso's
