The Progress And Development Of

Progress is upward growth in economic status; however, progress is still an on-going process. Development, meanwhile, is the aftermath and the effect of progress. In development, there is a human and social factor. It measures whether how much of society benefited from the economic growth or progress. In a way, development and progress have a symbiotic or a two-way relationship.

Difference Between Progress and Development | Difference ...

Progress and Development was established in 1959, drawing its support from the Galilee area. Like other Israeli Arab parties at the time, it was associated with David Ben-Gurion 's Mapai party, as Ben-Gurion was keen to include Israeli Arabs in the functioning of the state in order to prove Jews and Arabs could co-exist peacefully and productively.

Progress and Development - Wikipedia
