The Story of Music by Howard Goodall - review

I first saw the movie The Sound of Music as a young child, probably in the late 1960s. I liked the singing, and Maria was so pretty and kind! As I grew older, more aware of world history, and saturated by viewing the movie at least once yearly, I was struck and annoyed by the somewhat sanitized story of the von Trapp family it told, as well as the bad 1960s hairdos and costumes.
