water plays in this poetic exploration of water throughout the year."

Water Can Be . . . (Millbrook Picture Books) by Laura ...

For example, the first pages are about what water can be in the summer. Later in the story, it is about what water can be in the autumn, winter, and spring. This is just a nice subtle way to organize the book, rather than random descriptions of water. This picture book is ideal for a younger elementary group of students.
