political analysis, part intellectual journey— shows how a political system that traditionally has been responsive to the interests of the middle class has been hijacked by the superrich. In doing so, it not only changes how we think about American politics, but also points the way to rebuilding a democracy that serves the interests of the many rather than just

Winner Take All

Politics - Wikipedia

"Winner-Take-All Politics" is the interesting and upsetting look at how the economic gap between the super rich and the rest of us came about over the past 30 years. This insightful book details the policies that molded the economy to favor the rich. This 288-page book is composed of the following ten chapters:

state-to-state and can be changed by party leadership.

How Delegates to Presidential Conventions Are Selected

Other states use the winner-takes-all method. This sounds exactly like what it is: A candidate who wins the majority of the vote in a primary - 51 percent - wins all of that state's delegates.
